**Carrigaline 0-05 Glanworth 2-15**

On a nice summer's day at the home of Bride Rovers, Carrigalines Intermediate adventure came to an end. After two positive outings so far hopes were high but we were second best after a dominant second half from Glanworth. This was a quite youthful and inexperienced side, who lost a lot of their experience after the Seniors called on a number of players over their three rounds. Carrigaline started quite brightly, and with the pace we had up front we caused quite a few problems for the Glanworth defence. After twenty minutes the game was evenly poised at 4 points apiece. The Carrigaline scorers were Colin Maguire (2), Adam Coholan & Simon O'Brien. As Glanworth pushed on, Carrigaline kept responding and again the sides were level after a Wesley O'Brien score. Glanworth now started pushing on and the halftime scoreline read 0-08 to 0-05. With the Carrigaline inside forward line looking very dangerous in front of goal it was game still firmly on. Glanworth slowly started grabbing the game by the neck and on a goal on the 40<sup>th</sup> minute left the scores 1-10 to 0-05. Then Carrigaline received a red card and that effectively ended the game. Glanworth did start running riot in the last ten minutes but the contest was finished at that stage. With a bit more experience Carrigaline could have won it especially when the game was tight for so long. It wasn't to be however and now Carrigaline can start planning for next year. Congratulations to all on an impressive year. After being Junior for so long, to put out very competitive teams throughout the year in Championship and League has in itself been a massive positive. The future is bright for this side. With our Minor sides continuing to be so competitive it is an imperative we have a strong Intermediate side to prepare players to one day play Senior Football. This year has been a great start.
