

## ***Reception at Carrigaline Court Hotel for the U16 P1 and C3 Football Teams***

Last night the U16 footballers had their last training session before the County Championship Finals next Friday night at the Mardyke. A reception was laid on for them after training in the Carrigaline Court Hotel by owner, Peter Collins. The lads enjoyed a swim, use of the leisure facilities and were given food and refreshment afterwards. Peter had a few words of encouragement when he met them and also let out he played for the Blue and Gold himself a few years ago in the South East Division. The teams enjoyed the time in the leisure centre and it all helps with team building and having a bit of fun.
